One day was spent in Cincinnati in
preparation for Tuberculosis Week,
which was emphasized in compliance
with request of the National Associa-
tion for the Study and Prevention of
Tuberculosis. The City Council grant-
ed permission to use their room for
the display and Judge Whitaker kind-
ly transferred his business for the
week to another part of the building.
Many took advantage of the opportu-
nity to study the object lessons. One
table, Safety First, represented the
rocks, foul air, dark rooms, poor food,
dissipation, improper clothing and
neglected cough in the ocean of life,
while a lighthouse pointed the way
to good health by means of fresh air,
sunshine, good food, rest, warm cloth-
ing and medical aid. Another showed
the right way and the wrong way to
live. It also showed the way some
poor babies are found by the visiting
nurse and how she cares for them as
well as they are cared for at Hays-
wood Hospital.

On December 6 Mrs. R. K. Hoeflich
gave a Red Cross tea at her home on
East Second street which proved a
most interesting forerunner of the
week's program. Dr. A. R. Quigley
read a paper on "Open Air Schools,"
which gave many helpful suggestions
and a practical hint for Maysville.

On December 7 a mass meeting
was held at the Council Chamber with
a very small attendance but a most
enthusiastic one. Dr. W. H. Taulbee
gave an instructive address on "Tu-
berculosis." Others taking part in
the discussion were Doctors Quigley,
Samuel Taylor, Maguire and Smoot,
Miss Yancey, Rev. John Harbour and
Rev. W. B. Campbell.

December 8 was medical examina-
tion day and 236 school children were
examined for trachoma and two oper-
ated upon immediately. Others re-
ceived instruction and medicine. Dr.
John McMullen, United States sur-
geon, was assisted by local and county
physicians.

The management of the Gem The-
ater gave an afternoon and evening
performance for the benefit of the
league and hospital on December 9,
which netted \$10 each to the league
and hospital.

On December 10 the city and Okla-
homa district school children gave a
play in the High School auditorium
for the benefit of the work, and Dr.
A. O. Taylor explained the slides from
the Child's Welfare Department of
the United States Bureau of Educa-
tion.

On December 11 the Settlement Club
gave a candy sale and Mr. Lawyer
furnished music at Pecor's drug store.
The pastors of the various church-
es called attention to the week's pro-
gram and gave a sermon accordingly.
Following closely upon this came the
Red Cross seal campaign, of which a
report will appear later.

The following Christmas donations
were received: Richard Carr, ten
dolls and ten baskets of fruit and
candy; Rev. W. B. Campbell, \$1, and
Miss Florence Wilson \$1, all of which
was turned over to Mrs. Peddicord,
superintendent of the City Mission,
and we worked in hearty co-operation.

Work at the hospital was very light.
Patients remaining December 1, 7;
patients admitted, 16; total, 23. Pa-
tients discharged, 17; patients de-
ceased, 1; remaining, 6.

Hospital service free 36 days; part
pay, 7 days; pay, 71 days; total, 114
days. Lowest number, 2; highest
number 7, and average 3.21-31 days.

Earnings for December \$215.37;
cash received \$167.25; cash value of
charity work, \$38. The board of trust-
ees has turned over \$450 during the
three months and still there is a de-
ficit. Respectfully submitted,
ANNIE M. CASEY
